

Manti Utah Oct. 30, 1939:

Dear Brother Gladhill
As you have requested me
to write, what I saw the
~~the~~ day you was called
up on to speak in the
Manti Temple I will try
to write it as near as I
can remember, I looked at
you when you were speaking
a bright light incircled
your head. I asked the
sister that sat by me if
she could see the light
and she said she could
not, I watched when you
took your seat after you
were through and the light
followed you for a while
and then disappeared.

Your Sister in the
Gospel
Hannah H. Johnson

This incident occurred ~~at~~ Sept 18, 1939.
